

**DOCKET NO.:** VERT-0003  
**Application No.:** 10/087,363  
**Office Action Dated:** June 17, 2004

**PATENT**

**Amendments to the Specification:**

Attached hereto is a proposed substitute specification including the reference numerals requested by the Examiner in the Official Action. Applicant has also attached a "tracked changes" copy illustrating the insertions. The substitute specification is offered in view of the numerous insertions of reference numerals throughout the specification.

Attachment: substitute specification and original specification with "tracked changes"
